Subject: CONFIDENTIAL: draft EPA letter
Attachments: Castle Mtn ECCC Letter Draft Working.docx

Myla, per our conversation yesterday, attached is a draft letter that is currently undergoing EPA management review/concurrence. Please do not share outside MDEQ, but hopefully the draft is useful as you and Tim consider having MDEQ weigh in on this. It is frankly incomprehensible that a project of this scale and with these potential transboundary impacts isn't already being designated for federal review.
